## Sale of summer plants and hanging baskets

Dear Parents

**The school is offering for sale a selection of summer bedding plants at competitive prices. The list of plants available is shown on the order form overleaf - please take a look!**

Due to increased demand we are again offering for sale our beautiful summer hanging baskets. As before these will be filled to the brim with a colourful variety of summer plants including Busy Lizzies, trailing Petunias, trailing Bacopa and trailing Fuchsias - see overleaf for more information.

### *Special offer!*

Following their huge success last summer we have again decided to sell our two great value refill packs containing a selection of our best sellers and some of gardeners favourites – all at very special offer prices. Each pack contains 3 individually pot-grown plants usually costing £2 per pot, however we are offering the refill packs at the amazing price of just £4! That means you get the third plant free! The first pack we have for sale will contain a variety of trailing and standard bush Fuchsias, each a different variety and colour, which will come ready to plant outside. Likewise with the second pack which consists of a beautiful Busy Lizzie ‘Shimmer’, a trailing Petunia and the fantastic trailing ‘Bacopa’. The ‘Bacopa’ is a firm favourite of many gardeners, it is naturally compact and with its trailing habit is often grown in hanging baskets where it blooms profusely with hundreds of non-stop flowers right through to the early frosts. This pack is a summer must have!

Lastly we have for sale our wonderful range of patio vegetable plants, which have proved to be very popular over the years. They are ideal in large patio pots or garden beds, and they produce not only tasty fruits or vegetables but also very attractive flowers – see overleaf for more details.
