Holme Grange School is an independent preparatory day school for girls and boys aged 3 - 13 years set within 21 acres of beautiful Wokingham countryside. Outstanding pastoral care produces confident, articulate children who really enjoy their learning and sporting activities.

Our commitment to personalised learning provides our pupils with an invaluable advantage as they move on to senior school at 13. Our Y8 leavers are successful at gaining places in a variety of Independent schools including Wellington College and Bradfield College and often gain Scholarship places.

Applications are invited from parents who would like to apply for an award for their child moving into Y7 & Y8. Awards are available of up to 25% off the school fees which may be enhanced further where parents can demonstrate that a Scholar will not be able to take up the place because of financial hardship.

**In addition to the following list there will be one Major Scholarship Awarded to the candidate who demonstrates through the application process, an outstanding performance and potential. This award will only be allocated to existing pupils and will be up to 25% of the fees.**

**Application Process**

Holme Grange awards are judged not just on the basis of one test result but take into account a pupil's ability, attitude and work ethos.

We ask all pupils to submit a handwritten explanation to us of 200 words or less. This needs to include the reasons why they feel they should be considered and how they will contribute to the life of the school.

For existing pupils, the latest test results are used, together with reports from their subject teachers. All new pupils will be expected to undertake an assessment in school which will enable us to ascertain their current academic standard.
