Introduction

Holme Grange School is committed to providing the best possible care and education to its pupils and to safeguarding and promoting the welfare of children and young people is our highest priority. The School is also committed to providing a supportive and flexible working environment to all its members of staff. Holme Grange is committed to the Safer Recruitment Process

The School recognises that, in order to achieve these aims, it is of fundamental importance to attract, recruit and retain staff of the highest calibre who share this commitment. The School aims to recruit staff that share and understand our commitment and to ensure that no job applicant is treated unfairly by reason of a protected characteristic as defined within the Equality Act 2010.

All queries on the School's Application Form and recruitment process must be directed to the HR Officer – hr@holmegrange.org

The aims of the School's recruitment policy are as follows:

- to ensure that the best possible staff are recruited on the basis of their merits, abilities and suitability for the position;
- to ensure that all job applicants are considered equally and consistently;
- to ensure that no job applicant is treated unfairly on any grounds including race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age;
- to ensure compliance with all relevant legislation, recommendations and guidance including the statutory guidance published by the Department for Education (DfE) (formerly the Department for Children, Schools and Families (DCSF)), *Safeguarding Children and Safer Recruitment in Education* (***the Guidance***) and any guidance or code of practice published by the Disclosure and Barring Service (DBS); and
- to ensure that the School meets its commitment to safeguarding and promoting the welfare of children and young people by carrying out all necessary pre-employment checks.

Employees involved in the recruitment and selection of staff are responsible for familiarising themselves with and complying with the provisions of this policy. Members of the Senior Management Team and of the Governing Board have been trained in Safer Recruitment.

Scope of this Policy

The Recruitment, Selection and Disclosures Policy and Procedure herewith refers and applies to staff directly recruited and employed by the School. In the Education (Independent Schools Standards) (England) Regulations 2010, staff are defined as:

- Any person working at the School whether under a contract of employment, under a contract for services or otherwise than under a contract, including supply staff and volunteers.
- In the case of agency or contract workers, the School shall obtain written confirmation from the agency or company that it has carried out the appropriate checks.
- Any staff who TUPE transfer into the School's staff, will be required to undertake the statutory requirements with regard to safer recruitment checks.

Recruitment and selection procedure

The School will make candidates aware that all posts in the School involve responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Candidates for employed posts will receive a Job Description and Person Specification for the role applied for.

Application Form

The School will only accept applications from candidates completing the relevant Application Form in full. CVs will not be accepted in substitution for completed Application Forms.

As the position for which candidates are applying involves substantial opportunity for access to children, it is important that applicants provide the School with legally accurate answers. Upfront disclosure of a criminal record may not debar a candidate from appointment as the School shall consider the nature of the offence, how long ago and at what age it was committed and any other relevant factors. Information should be submitted in confidence enclosing details in a separate sealed envelope which will be seen and then destroyed by the Head. If candidates would like to discuss this beforehand, they are asked to please telephone in confidence to the Head for advice.

Any unspent convictions, cautions, reprimands or warnings must be disclosed to the School. However amendments to the Exceptions Order 1975 (2013) provide that certain spent convictions and cautions are 'protected' and are not subject to disclosure to employers, and cannot be taken into account. Guidance and criteria on the filtering of these cautions and convictions can be found at the Disclosure and Barring Service website.

The successful applicant will be required to complete a Disclosure Form from the Disclosure and Barring Service ("DBS") for the position.

Failure to declare any convictions (that are not subject to DBS filtering) may disqualify a candidate for appointment or result in summary dismissal if the discrepancy comes to light subsequently.

If the candidate is currently working with children, on either a paid or voluntary basis, the School will ask their current employer about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether the candidate has been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure.

If the candidate is not currently working with children but has done so in the past, the School will ask the previous employer about those issues. Where neither the current nor previous employment has involved working with children, the School will still ask the current employer about the candidate's suitability to work with children. Where the candidate has no previous employment history, the School will request character references which will include references from the candidate's school or university.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal by the School if they have been appointed, and a possible referral to the police and DBS and/or the NCTL.

Breaks in Employment

If there are any periods of time that have not been accounted for in your application, for instance, periods spent raising family or of an extended travel, details must be given on the application form. The information provided must provide a complete chronology from the age of 16. Failure to provide a full account may lead to an application being rejected.

Invitation to Interview

The School will short list applicants according to the relevance and applicability of their professional attributes and personal qualities to the role. Short-listed applicants will then be invited to attend a formal interview at which his/her relevant skills and experience will be discussed in more detail.

All formal interviews will normally have a panel of at least three people chaired by the Head. It is the School's policy that at least one person on the appointment panel will have undertaken safer recruitment training. The Chair of Governors should chair the panel for the Finance Officer's/Head's appointment.

The interviewers involved will be required to state any prior personal relationship or knowledge of any of the candidates and a judgement will be made by the Chair as to whether or not an interviewer should withdraw from the panel. Should the Chair have a conflict of interest, the Vice Chair shall decide whether the Chair should withdraw from the panel.

The interview will normally be conducted in person although provision can be made for interviewing over Skype where the applicant is overseas. The areas which it will explore will include suitability to work with children.

All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified copy of certificates, diplomas etc). Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained by the candidate from the awarding body.

The School requests that all candidates invited to interview also bring with them:

- A current driving licence including a photograph
- A passport
- A full UK birth certificate;
- A utility bill or financial statement issued within the last three months showing the candidate's current name and address;
- Where appropriate any documentation evidencing a change of name;
- Where the candidate is not a citizen of a country within the European Economic Area or Switzerland, proof of entitlement to work and reside in the UK.

Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient.

Candidates with a disability who are invited to interview should inform the School of any necessary reasonable adjustments or arrangements to assist them in attending the interview.

Where references have not been gathered by the date of the interview a candidate may need to return for a further interview should the references contain information that would have been discussed at the initial interview has the school been aware of it at the time. An offer of employment should not be made before all references are received.

Conditional Offer of Appointment: Pre-Appointment Checks

Any offer to a successful candidate will be conditional upon:

1. Receipt of at least two satisfactory references (if these have not already been received);
2. Verification of identity and qualifications including, where appropriate, evidence of the right to work in the UK;
3. A satisfactory enhanced DBS check and if appropriate, a check of the Barred List maintained by the DBS;
4. For a candidate to be employed as a teacher, a check that that the candidate is not subject to a prohibition order issued by the Secretary of State;
5. Verification of professional qualifications, where appropriate;
6. Verification of successful completion of statutory induction period (for teaching posts - applies to those who obtained QTS after 7 May 1999);
7. Where the successful candidate has worked or been resident overseas such checks and confirmations as the School may consider appropriate so that any relevant events that occurred outside the UK can be considered; and
8. Satisfactory medical fitness.
9. Appropriate 'Suitability to work with children declaration' completed (Which will be required annually for all staff upon appointment)

It is the School's practice that a successful candidate must complete a pre-employment health questionnaire. The information contained in the questionnaire will then be held by the School in strictest confidence. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed workload, extra-curricular activities, layout of the School.

The School is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, considering medical evidence and considering reasonable adjustments.

References

The School will seek the references referred to in section 5 above for shortlisted candidates and may approach previous employers for information to verify particular experience or qualifications, before interview. Short-listed candidates should be aware that KCSIE 2016 requires references to be received prior to interview. The School will, therefore, always request references from all nominated referees at the point of shortlisting.

The School will ask all referees if the candidate is suitable to work with children. All references received following a written request from the School will be followed up by telephone to confirm the authenticity of the reference.

The School will compare any information provided by the referee with that provided by the candidate on the Application Form. Any inconsistencies will be discussed with the candidate.

Criminal Records Policy

The School will refer to the Department for Education ("DfE") document, 'Keeping Children Safe in Education' and any amended version in carrying out the necessary required DBS checks.

The School complies with the provisions of the DBS Code of Practice, a copy of which may be obtained on request.

Retention and Security of Records

The School will comply with its obligations regarding the retention and security of records in accordance with the DBS Code of Practice and its obligations under its Data Protection Policy. Copies of DBS certificates will not be retained for longer than 6 months.

Overseas

If a candidate has lived overseas for longer than 3 months in the last 5 years and a DBS check is not considered sufficient to establish suitability to work in a school then the school will undertake some additional checks. These checks will be inline with the guidance offered by the Home Office and will include a request for further references as well as the EEA Check for those who were resident within the EEA.

Contractors/Agency (Supply) and Third Party Staff

All staff that are engaged in regulated activity will require a DBS Including Barred List check. For Agency staff this check will be completed through the Agency the individual is employed by. For contractors and 3rd Party Staff this same check is required although if the activities to be undertaken are not regulated activity then the DBS check is required (ie not the Barred List). Where an individual is unable to request a check then the School can be contacted for help, although this should be in sufficient time to allow the DBS process to be completed prior to the planned start of the contract.

Visiting Speakers

Holme Grange School is committed to safeguarding and promoting the welfare of our pupils and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential

As part of the School's Prevent duty all Visiting Speakers who may fall within the scope of Prevent Duty will be vetted by the school (usually an internet search) – *see Visiting Speaker Policy*. Once complete those who are attending the school unpaid will be treated as a volunteer and those that are being paid will be treated as 3rd Party Staff/Agency staff whichever is most appropriate.

Appendix

Policy on the Recruitment of Ex-Offenders

The School will not unfairly discriminate against any candidate for employment on the basis of conviction or other details revealed. The School makes appointment decisions on the basis of merit and ability. If an individual has a criminal record, this will not automatically bar him/her from employment within the School. Instead, each case will be decided on its merits in accordance with the objective assessment criteria set out below.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if they have been appointed, and a possible referral to the police and DBS.

Under the relevant legislation, it is unlawful for the School to employ anyone who is included on the lists maintained by the DBS of individuals who are considered unsuitable to work with children. In addition, it will also be unlawful for the School to employ anyone who is the subject of a disqualifying order made on being convicted or charged with the following offences against children: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence.

It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position within the School. The School will report the matter to the Police and the DBS if:

- the School receives an application from a disqualified person;
- is provided with false information in, or in support of an applicant's application; or
- the School has serious concerns about an applicant's suitability to work with children.

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question;
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;
- whether the applicant has a pattern of offending behaviour or other relevant matters;
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters; and
- the circumstances surrounding the offence and the explanation(s) offered by the convicted person.

If the post involves regular contact with children, it is the School's policy to consider it a high risk to employ anyone who has been convicted at any time of any of the following offences: murder, manslaughter, rape, other serious sexual offences,

grievous bodily harm or other serious acts of violence, serious class A drug related offences, robbery, burglary, theft, deception or fraud.

If the post involves access to money or budget responsibility, it is the School's policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibilities, it is the School's policy to consider it a high risk to employ anyone who has been convicted of drink driving.

The list of "specified offences" which must always be disclosed

This contains a large number of offences, which includes certain sexual, violent and other offences that are considered so serious they will always be disclosed, regardless of when they took place or of the person's previous or subsequent criminal record. The list of "specified offences" can be found at:

<https://www.gov.uk/government/publications/dbs-list-of-offences-that-will-never-be-filtered-from-a-criminal-record-check>

Enhanced Disclosure from The DBS

The School applies for an enhanced disclosure from the DBS and a check of the Children's Barred List (now known as an Enhanced Check for Regulated Activity) in respect of all positions at the School which amount to "regulated activity" as defined in the Safeguarding Vulnerable Groups Act 2006 (as amended). The purpose of carrying out an Enhanced Check for Regulated Activity is to identify whether an applicant is barred from working with children by inclusion on the Children's Barred List maintained by the DBS. Any position undertaken at, or on behalf of, the School (whether paid or unpaid), will amount to "regulated activity" if it is carried out:

- frequently, meaning once a week or more; or
- overnight, meaning between 2am and 6am; or
- satisfies the "period condition", meaning four times or more in a 30 day period; and
- provides the opportunity for contact with children.

This definition will cover nearly all posts at the School. Limited exceptions could include an administrative post undertaken on a temporary basis in the School office outside of term time.

It is for the School to decide whether a role amounts to "regulated activity" taking into account all the relevant circumstances.

The DBS now issues a DBS disclosure certificate to the subject of the check only, rather than to the School. It is a condition of employment with the School that the **original** disclosure certificate is provided to the School within two weeks of it being received by the applicant. Original certificates should not be sent by post. Applicants must instead bring the original certificate into the School within two weeks of it being received. A convenient time and date for doing so should be arranged with the School Finance Officer schoolfinanceofficer@holmegrange.org soon as the certificate has been received.

Applicants who are unable to attend at the School to provide the certificate are required to send in a certified copy by post or email within [two weeks] of the original disclosure certificate being received. Certified copies must be sent to the Head's PA – Mrs Jill Dever. Where a certified copy is sent, the original disclosure certificate must still be provided on the first working day. Employment will remain conditional upon the original certificate being provided and it being considered satisfactory by the School.

If there is a delay in receiving a DBS disclosure the Head has discretion to allow an individual to begin work pending receipt of the disclosure. This will only be allowed if all other checks, including a clear check of the Children's Barred List (where the position amounts to regulated activity), have been completed and once appropriate supervision has been put in place.

DBS checks will still be requested for applicants with recent periods of overseas residence and those with little or no previous UK residence. These applicants may also be asked to provide further information, including a criminal records check from the relevant jurisdiction(s).

Additionally all new staff to be employed in a teaching role will have their name checked against the DfE Prohibition List.

Retention and security of disclosure information

The School's policy is to observe the guidance issued or supported by the DBS on the use of disclosure information, but is under no obligation to do so.

In particular, the School will:

- store disclosure information and other confidential documents issued by the DBS in locked, non-portable storage containers, access to which will be restricted to members of the School's senior management team;
- not retain disclosure information or any associated correspondence for longer than is necessary, and for a maximum of six months. The School will keep a record of the date of a disclosure, the name of the subject, the type of disclosure, the position in question, the unique number issued by the DBS and the recruitment decision taken;
- ensure that any disclosure information is destroyed by suitably secure means such as shredding; and
- prohibit the photocopying or scanning of any disclosure information.

Retention of records

If an applicant is appointed, the School will retain any relevant information provided on his / her application form (together with any attachments) on his / her personnel file. If the application is unsuccessful, all documentation relating to the application will normally be confidentially destroyed after six months.

Holme Grange School is committed to safeguarding and promoting the welfare of our pupils and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential

Queries

If an applicant has any queries on how to complete the application form or any other matter he / she should contact the HR Manager.
