## **THE SCHOOL WILL:**

- Maintain an appropriate hygiene regime to be followed by all pupils, staff and visitors
- Operate an enhanced cleaning regime for the duration of Covid-19
- Ensure that staff are informed and instructed to ensure competence and awareness of health & safety precautions required during Covid-19
- Give age appropriate lessons to pupils about Covid-19 and to encourage and re-assure them about the measures in place to protect themselves from it.
- Require all employees and encourage and support all pupils to show a proper personal concern for their own safety, for that of the people around them.
- Require staff to exercise increased due care and attention and observe safe working methods.
- Communicate regularly and effectively with staff and parents about the school's response to Covid-19
- Provide for children of critical workers and vulnerable children to be accommodated alongside returning year groups
- Put in place the support required for the return of pupils with special educational needs and disabilities (SEND) in line with education health care (EHC) plans in conjunction with families and other agencies
- Put in place any flexible working arrangements needed to support delivery of education during Covid-19 including where necessary staggered start/end times
- Put in place measures to check on staff wellbeing (including for leaders).
- Draw up contingency plans for:
  - Someone falling ill or demonstrating symptoms on site
  - Deep cleaning in the event of an outbreak of Covid-19 on site
- Provide appropriate personal protective equipment (PPE) as required by staff.
- Put in place arrangements for the continuing education of those children who have not yet returned to school.
