This policy document applies to the whole school including the Early Years Foundation Stage (*Little Grange and Reception Classes*).

Legal Requirements

The Board of Governors are required to ensure, as far as is practicable, adequate supervision of pupils throughout the day to ensure their health, safety and welfare through the appropriate deployment of staff. They are also required to ensure, as far as is practicable, that the school is a safe place of work for employees and for others using the site. (See Health and Safety Policy).

Duty of Care

All staff have a duty of care to all pupils in the school. It is the Headteacher's responsibility to ensure that high standards of behaviour and discipline are maintained throughout the time that pupils are present at school, as well as during activities either on or off site. It is also the Headteacher's responsibility to ensure that there is effective supervision of the school and that the school is secure.

Policy statement

Holme Grange School is committed to ensuring pupils are safe and appropriately supervised both in school and during school activities or educational visits. The safety of pupils is of paramount importance and we maintain vigilance over the pupils at all times and ensure that procedures are followed by all members of staff.

The school is committed to ensuring that:

- Pupil supervision and security always forms part of the Risk Assessment for any activity or visit
- Supervision of pupils takes into account the age, maturity, needs and numbers of pupils as well as the location and type of activities in which they are engaged.
- Staff ratios for supervision are within government guidelines at all times that pupils are involved in school activities on the school premises, or attending educational visits offsite.
- Supervision of pupils in remote locations is secure.
- Appropriate staff duty rotas are created by Heads of School, are shared with staff and demonstrate levels of staff supervision which are satisfactory in terms of numbers and staff competence in view of the pupils and the area involved.
- No senior pupils have supervisory responsibility for other pupils but may assist with staff who are on duty.
- Mandatory staffing ratios for EYFS provision are enforced.

Holme Grange School is fully committed to ensuring that the application of this supervision policy is non-discriminatory in line with the UK Equality Act 2010. It follows guidance from Keeping Children Safe in Education (Sept 2021) and Working Together to Safeguard Children (Aug 2018, updated Feb 2019)

- All EYFS pupils are supervised by adults at all times.
- Whenever pupils are on the premises at least two adults are present, one of whom is appropriately trained in First Aid.
- Pupils are not allowed into the swimming pool without a qualified member of staff in charge.
- Detailed procedures for the supervision of pupils during swimming activities are available to staff in the Sports Department Handbook.

Supervision Plans

Supervision plans for each section of the school are included in Appendix 1 – EYFS and Pre-Prep Appendix 2- Prep School and Appendix 3 – Eaton Grange. As part of

safeguarding arrangements staff should follow guidance for the area of the school in which they work.

All supervision of pupils is carried out in line with School Risk Assessments in place,

Supervision before 8:15.

The school offers a breakfast club from 7:30am which is supervised and should be pre-booked through the office.

Pupils may arrive at school from 8.15am. Pupils are expected to go home by 6.00pm unless they are staying late for a function or evening class. Pupils are not allowed on site without supervision. At least one member of staff is always present on duty in order to supervise pupils whenever they are in the school outside normal school hours. All members of the teaching staff are expected to take their share of break and lunchtime supervisory duties. These are displayed on a rota in the staff room. Expectations of duties are set out in appendices of this policy.

Drop off times and locations are in place for all Year groups, Eaton Grange students are allowed to arrive on site from 8am. They must wash their hands and then go to form rooms. There is no direct supervision until 8.15 am but both The Grange and Eaton Grange buildings are patrolled from 8.00 to 8.15.

On arrival

The school offers a breakfast club to supervise and offer breakfast to pupils pre-booked from 7:30-8:15am.

Pupils in Little Grange are taken directly to the Nursery drop off from 8:15 am where they are met by a member of staff. If a Little Grange or Reception pupil is in breakfast club then the staff from Club will lead the child to LG or Reception classrooms. All other pupils make their own way to their classrooms at 8:15 am. At 8:15 am members of staff will be on duty at the drop off and playground to insure children get into the building safely. These duties are shared out on the duty rotas which are displayed on boards in the staffroom. No pupils should enter the school via the main front door.

Pupils in Years 7-11 will enter school grounds via the back drive. If they arrive at the front of school and proceed to the Eaton Grange building, access via the playground is not permitted unless they are leaving a younger sibling, they must access via the 'pencil gate' and to the rear of the main school building. Eaton Grange students will wash their hands before entering any building after drop off at 8:25 am.

Pre prep and Prep school pupils may enter school, after washing their hands, and go straight to their form rooms where an adult will be ready to greet and prepare for the day ahead. At 8:35 am the school bell will ring and registers are taken by form teachers using Engage.

Office Staff check the registers and will contact parents if any child is not registered and we are not aware of a reason.

During the School Day

No class should be left unsupervised for any reason. In an emergency send 2 children to the School Office. Movements of pupils around the school will be supervised by an adult in pre-prep and prep.

REGISTRATION

We take a register of pupils at the start of the morning and at the start of the afternoon sessions – these are completed electronically. On a Wednesday for pupils in Year 5-8 a register is taken before lunch due to sport and on a Friday for pupils in Years 3 & 4 a register is taken before lunch due to sport. Parents are responsible for notifying the school if their child is absent for any reason. The school will always contact the parent if a child fails to arrive at school without an explanation.

Early Years - We operate identical registration procedures to the main school; but in addition, we will only release a child at the end of his or her session into the care of a parent or other individual whose name has been notified to us in advance. A password is requested for any adult that is unknown to us when collecting children. Pupils in Little Grange are assigned a Key Worker.

No pupil will be released to another adult other than their parent or guardian without notification from parent/guardian.

Break Times

At break times, pupils are supervised by members of staff from the respective departments in the school as per a rota established at the start of each term. During a duty, staff will oversee playtimes, respond to any play which may be getting out of control, interact with pupils and identify children who appear to be alone and assist with any disputes that may occur. Heads of school share expectations and details of duties with staff at the start of the school year.

The duty staff should ensure all children respond to the whistle blown by a member of the duty staff and return in time to remove their trainers, wash hands, and return to lessons on time.

Pupils should not be left in a classroom at break times. Children should not be allowed to be inside during playtimes other than after requesting permission for toilets.

Eaton Grange students are allowed in their classrooms and social areas at lunch times. These areas are included in the duty rotas. All students must go outdoors at lunchtimes unless they are attending a supervised activity. Supervised homework club operates on a daily basis at lunch time.

Wet play/lunch times

Pupils are expected to go outside unless the weather is extreme. If it is necessary to remain inside then pupils are supervised in a classroom or in the hall by the designated duty staff member/members. Year 6 peer mentors will assist the duty members of staff.

In Pre-Prep, Reception pupils are supervised in The Hive, Year 1 in Owls and Y2 in Kestrels.

After school arrangements

EYFS

Pupils in EYFS attend 'Tea' at the end of the school day via a pre booked arrangement.

Pupils are supervised at tea and only handed parents/guardians agreed by staff/parents. If signing is not possible by parents to limit contact, supervising staff must sign and record time when a pupil is collected – they should indicate which adult collected the pupil. At the end of tea (5:50pm) the rooms in Little Grange and the register is counter signed by two adults on duty. At 5:50 pupils are brought to the collection points. Some pupils may be collected at 5:30pm with siblings. The registers are then brought to the front office along with any pupils not collected who will be supervised by the member of SMT on duty.

Pre-Prep and Prep

- In Pre-Prep, form teachers must direct their children to the holding room for after school snack. At 4:20pm pupils meeting siblings will meet on the playground. At 4:30 clubs begin.
- If you are taking an after school activity you are responsible for the children.
 - In Pre-Prep pupils are collected from their classroom for their club at 4:30pm. A register is taken at the start of club. The adult taking the club dismisses pupils to their parents and checks off their register.

- In Prep School pupils are taken to the main playground where they are met by their club leader who stands next to a sign with their club name on it. A register is taken and the member of staff is responsible for dismissing the pupils on their register.
 - If a pupil is missing the office must be informed to try and find the child. The “Safeguarding - Missing Children Report” must be completed and given to the DSL.
- At the end of the activity, the member of staff of that club must walk the children to their pick-up point and witness children getting into their parents’ car. Staff are responsible for staying with their children until they are handed over.
 - Staff overseeing pupils who are collected from Prep outside of the advertised pick up times of 5:30 and 5:50 receive a phone call to let them know that a parent has arrive. They must then have ‘eyes on’ that parent before dismissing the pupil to them on the playground.
 - Break and lunch times are also part of our safeguarding duties. Some children are particularly vulnerable during these times and so having a proactive member of staff on duty is very important. Any issues must be brought to the attention of the form teacher and consistent messages must be given to the children. If an incident of poor behaviour occurs, staff may need to enter details onto Engage. You **MUST** acquaint yourself with expectations of duties for your school.

Departure

As departure times vary the following procedures are in operation.

EYFS

- **Little Grange Lunch time collection 1pm – end of day collection 4pm**
Pupils are collected by a known adult from Little Grange, if another adult is collecting staff must be informed and will not dismiss a pupil if they have not.
- **Reception end of day 3:30pm** pupils are collected from their form teacher at the front of school. Any child attending tea will remain in The Hive with those waiting for sibling collection. Tea is for pupils pre-booked in Reception and Little Grange and as per footnote 5 (paragraph 1.1) in Statutory Framework for EYFS we state this is a childcare only provision provided and not assessed against the learning and development requirements in the Early Years. At the end of tea the register is signed by the 2 members of the supervising team to confirm all pupils have been collected, the register is then taken to the main office. At 4:20pm any pupils meeting a sibling will be supervised to the playground to meet sibling for collection.
- **Year 1 (3:45 pm) and 2 (4:00pm)** In these year groups pupils are collected from collection point at front of school. They will be brought to the collection

point by one teacher. Other staff will remain in the class with pupils awaiting sibling meeting/clubs. At 4:20pm those pupils meeting siblings will be brought to the playground to meet sibling and go to parent collection. The children awaiting clubs will then have their snack and drink ready for club. At 4:30pm staff taking clubs will come to the class to take Year group clubs. Staff take the register at the start and end of clubs/chill out when pupils are returned to parents at 5:50pm at collection points. Staff supervising clubs will walk pupils to collection points. Some pupils will meet siblings at 5:30 for collection and these details will be forwarded by the office. Chill Out collection can be any time and a parent will come to the office, office staff will communicate with the teacher on duty and the pupil will walk to the office for collection. The teacher on duty will tick the register to state the child has left and the office staff will sign that the child has been collected with parents counter signing.

- **Year 3-6 4:15pm** pupils are taken to their drop-off point. In Years 3 to 6 this is at the front of the school. They should line up on the playground with their form teacher at the front of the line. Pupils staying for a club or prep will stay in their classroom to have a snack and drink brought from home. At 4:30pm they are taken to the playground to start their club, or to the prep classrooms. Registers are managed by the school office and staff in charge of club takes the register at the start and when witnessing pupils being picked up by parents at the end of club. Clubs usually end at 5:30 and Prep ends at either 5:30 or 5:50pm, when children from Prep will be escorted to the pickup point.
- **Year 7-11** students may depart from The Grange pick-up point or the rear bus shelter. Students staying for Prep or Clubs are supervised outside by duty staff until 4.30 pm. Any student not collected by 4:30pm must go to Prep and await parents. Staff take a register at the start of clubs.

School bus

School buses run in the morning and at 4:30pm and 5:30pm. Pupils are booked onto the bus and drivers keep a register of pupils who are expected. Parents are asked to contact school in advance if there are to be any changes to agreed bus attendance to ensure registers are accurate. The school bus service drops pupils to their homes or a delegated stop close to their home, with agreement by parents. Buses are operated by Holme Grange staff. All pupils using the bus will sign a code of conduct agreement that is countersigned by parents. Currently masks are required to be worn when travelling on school buses.

MEDICAL SUPPORT

The school has a full time member of staff who is the school matron and is based in the Main Office.

Teaching staff and non-teaching staff, are trained and qualified as First Aiders, they are able to give emergency first aid. We have paediatric trained first aiders in Pre-Prep. The current list of staff with First Aid qualifications is displayed on a staff notice board in the staffroom. We always make sure that a qualified paediatric first aider is on duty whilst our Early Years children are in school. All staff have access to First Aid kits which are practically placed in all potentially high risk areas, as well as in the School Office. Staff are expected to carry out timely and competent administration of First Aid and follow effective implementation of the school First Aid Policy.

Medical lists are updated and saved on staff share. All staff have a responsibility to make sure they are up to date on medical needs of pupils they teach and that they seek advice on anything they are unsure of.

SUPERVISION DURING EDUCATIONAL VISITS

The arrangements for the supervision of pupils during educational visits and trips out of schools are described in our policy: "Educational Visits."

UNSUPERVISED ACCESS BY PUPILS

Pupils are not allowed into the swimming pool without a qualified member of staff in charge, nor are they allowed to use athletic equipment, adventure playground and TLC equipment without supervision. Pupils are expected to follow reasonable instructions given to them by teachers or by qualified leaders in adventurous activities.

We ensure that pupils do not have unsupervised access to potentially dangerous areas, such as the swimming pool, cookery room and the science laboratories. All flammables are kept securely locked in appropriate storage facilities. The Science laboratories and cookery room are kept locked when not supervised by an adult.

Pupils do not have access to the Grounds, Maintenance, Catering and Caretaking areas of the school.

EYFS PUPILS

The arrangements for the supervision of EYFS pupils in Little Grange and Reception classes are communicated with parents in individual meetings held before starting school year, newsletters and meet the teacher evenings for LG-Y2. The statutory framework for EYFS (2021) states children must be kept safe, providers must assess the risks and identify steps to minimise and manage these. At least 1 person must

have a current Paediatric First Aid Certificate and be on the premises with children or when on trips. Staff carry out daily risk assessments of EYFS areas both internal and external; a log is kept of these assessments.

Ratios on a School visit:

- To ensure the ratio of leaders to children is appropriate for the needs of the group and the nature of the activity to be undertaken. The school guidelines are stated below:

If a member of staff is aware they will be absent on a day when they have supervision duties, it is their responsibility to ensure this is covered and to inform the Head of School of the arrangements made.

STAFF INDUCTION

All new members of the teaching staff receive a thorough induction into the school's expectations of the appropriate levels of pupil supervision. Guidance is given on areas within the buildings and grounds that should be regularly checked when on duty outside normal lesson times, and is available in the staff handbook.

Missing Children

If you become aware that a child is missing from your lesson or club there are school procedures to follow in the MISSING CHILD PROCEDURE document.

Action should be taken in accordance with this policy if any absence of a pupil from the School gives rise to a concern about their welfare.

Record of incidents in school if children are not in attendance of where they should be eg Chill Out, Clubs, Prep, Lesson

It is part of our safeguarding duty to ensure that our children are supervised throughout their school day. If there have been times when we are not completely sure where the children are or they have ended up somewhere different to where they should be and this is not acceptable. If a child is not where they should be this is counted as a “near miss” and therefore has to be documented and actioned.

You must complete the “Safeguarding - Missing Children Report” at the end of these incidents. Procedures which must be completed if a child has gone missing from your club, prep, etc. Heads of School must be informed and handed a completed report to bring to SMT to review these incidents.

Protocol for Staff

It is part of our safeguarding duty to ensure that our children are supervised throughout their school day. If a child is not where they should be this is counted as a “near miss” and therefore has to be documented and actioned.

There will be a form “Safeguarding - Missing Children Report” at the end of these procedures which must be completed if a child has not been where they should and when from your club, prep, etc. This is to aid evaluation and reflection on procedures should amendments/reviews be required.
